

Thursday 27th November 2025

Dear Parents and Carers,

Unbelievably, it's that time again! We know that time really starts to race as we get into December so we thought we would send you a letter outlining all the exciting end of term Christmas activities that we have in store for the children so you can keep up with everything that is going on.

As usual, our Christmas dinner day will be in the last week on **Wednesday 17th December** and we invite the children to wear a Christmas or winter top/jumper instead of their usual school top. This is to help us raise money for Save the Children so if you are able to give, there will be a bucket at the morning and afternoon gate for collections.

On the same day, our Year 6 children will be creating and running some games for all the children to take part in as their way of fundraising for Save the Children. Each game will be 10p a turn so, if you are able, please send your child in with some loose change in a named envelope for them to have a go on the different games and they may even win a prize! We will make sure everyone gets to take part though.

The next day (**Thursday 18th December**) is our much-loved party day. The children are welcome to come to school in party clothes and they will take part in lots of fun games and activities throughout the day. As there are no school lunches that day, we ask that each child bring in their own 'festive' packed lunch so that they can eat with their friends in their classroom. Please also send in their water bottle as usual. **The last day of term will be Friday 19th December.**

And finally, the children are busy practising their Christmas performances to share with you and it is so lovely to hear the singing and acting as the days go on. The key dates are on the school website calendar but here's a reminder to help:

We hope you will be able to join us but if not, do look out on the class pages for some photos and videos. If you have any questions, please do get in touch with your child's teacher or the school office and we will do our best to help.

Many thanks

Mrs Bretherton and all the KPS staff
