

Kington Primary School Newsletter

March 2026

Dear Parents, Carers and Friends,

As we reach the end of the spring term, we want to say a big thank you for your continued support. The children have been working incredibly hard and brought so much positivity and enthusiasm into school over the past few weeks. We are so very proud of everything they are achieving and the reports have been fantastic to share with you. Thank you so much to everyone that was able to attend the 'Book Look' parents' evenings this week too. It was lovely to see the pride in the children's faces as they showed their work off!

Please also remember to visit our school website; the weekly blog helps families to keep up to date with events from each week and the 'supporting the curriculum' section can help with ideas for completing learning activities at home including reading.

We hope you all enjoy a restful Easter break filled with time to relax, recharge, and enjoy the signs of spring. We look forward to welcoming everyone back on Monday 13th April for an exciting summer term ahead.

Mrs Bretherton and Mrs Welson

Thank you for supporting attendance in school

As we move into the summer term, it's wonderful to see the warmer weather ahead and a gradual easing of the seasonal illnesses that often affect children during the winter months. We are already noticing improvements in both attendance and punctuality across the school, and we want to thank you for the part you play in making this possible.

Strong attendance and arriving on time each morning has a powerful impact on children's learning, confidence, and overall wellbeing. When pupils are in school regularly and ready to start the day promptly, they are better able to take part in lessons, build friendships, and make the most of every learning opportunity.

Thank you for your ongoing support and commitment to your child's education. It truly makes a difference.

**Whole school attendance for this half-term is 94.7%
Year 1 win the class prize with a super 96.5%**
